

KIWANIS CLUB OF LITTLE HAVANA DISTRIBUTES SCHOOL SUPPLIES TO ELEMENTARY SCHOOL CHILDREN

Over 4,000 students will receive book bags filled with notebooks, rulers, pencils, crayons, folders, paper and other supplies necessary to be successful academically

These days more than ever children attend school unprepared. Studies have shown that students adequately prepared at the beginning of the school year are more enthusiastic towards learning and attend school regularly.

The Kiwanis Club of Little Havana, pioneers of this program in the community since 1991, will distribute school supplies to all the students attending Riverside, Phillis Wheatley, Opa Locka, Thena Crowder, Paul Laurence Dunbar, Eneida Massas Hartner and Olinda Elementary Schools.
